

# TnC Pharmacy · Medicine envelopes

Print specification for the printing vendor · v1 · October 2026

## What we need printed

| Size   | Finished size (W x H) | Holds                                       | Artwork file                            |
|--------|-----------------------|---------------------------------------------|-----------------------------------------|
| Small  | 101.6 x 127 mm        | One medicine, 1–2 strips                    | TnC_Envelope_Small_PrePrint_VENDOR.pdf  |
| Medium | 127 x 177.8 mm        | One medicine, several strips / small bottle | TnC_Envelope_Medium_PrePrint_VENDOR.pdf |
| Large  | 177.8 x 254 mm        | Whole order, up to 8 medicines              | TnC_Envelope_Large_PrePrint_VENDOR.pdf  |

## Requirements

- **Print side:** front face only, full colour (CMYK). Back can be plain or a single blue (#0059B7) brand pattern. Flap and seams on the **back**; keep the front face flat and free of seams.
- **Paper:** white uncoated (offset / maplitho) 90–100 gsm, or white kraft 80–90 gsm. Paper must be safe for contact with packed medicine strips.
- **Finish: NO gloss lamination, UV coating or varnish on the front.** Patient and dose details are printed afterwards on an office inkjet/laser printer, and coated surfaces smudge or reject toner.
- **Artwork:** PDF, CMYK, 3 mm bleed, crop marks included. Fonts are embedded (Poppins). Please send a printed proof before the full run.
- **Logo:** the TnC Pharmacy logo in these files is from the website (low resolution). Replace it with the vector logo (AI / SVG / PDF) before printing.
- **Phone number:** the header shows +91 XXXXX XXXXX. Replace it with the store number before printing.
- **Blank boxes and dotted lines** are intentional. They are where the order details are printed later; please do not add anything inside them.
- **Suggested first order:** ~1,000 Small, ~1,000 Medium and ~500 Large, then re-order based on use.

## Previews: blank (as the vendor prints it) and with a sample order filled in

| 4 | <b>Cetirizine 10 mg</b><br>Tablet - Allergy        | —       | —         | —       | 1     | After food  | 5     |
| 5 |                                                    |         |           |         |       |             |       |
| 6 |                                                    |         |           |         |       |             |       |
| 7 |                                                    |         |           |         |       |             |       |
| 8 |                                                    |         |           |         |       |             |       |

**Important instructions**

- Complete every course even if you feel better.
- Paracetamol no more than 4 tablets in 24 hours.
- Cetirizine may cause drowsiness — avoid driving.
- Do not share these medicines with anyone else.

**Possible side effects**  
Mild stomach upset or drowsiness can occur. Contact your doctor if you get a rash, swelling or difficulty breathing.

**Storing your medicines**  
Keep below 30 °C, away from sunlight, damp and children.
